

MINIMUM ENTRY REQUIREMENTS FOR QUALIFICATIONS AWARDED IN FOREIGN EDUCATION SYSTEMS (non-Italian).

The **International students' admission office** supports prospective students with foreign qualifications in understanding whether their high school diploma or bachelor's degree meets the admission requirements, according to Italian regulations (see Annex 1 and 2 of annual [Ministerial Circular](#)) and according to any possible change in the corresponding foreign education system.

Important information:

- The details below are for **reference only**. Even if your qualification is not listed, you can still apply and have it assessed.
- Always **refer to the country of the institution that awarded your qualification**. For example, if you studied in India but followed an American curriculum, check the requirements for USA qualifications.

Please, READ VERY CAREFULLY:

- ✓ A positive pre-evaluation by the academic committees does **not** guarantee admission. The final decision on whether your qualification meets formal requirements, passes authenticity checks, and allows access to your chosen degree program **rests with the International Students' Admission Office**.
- ✓ Academic committees may set **additional admission requirements** beyond the formal ones.
- ✓ According to CIMEA guidelines, non-Italian secondary school qualifications are valid only if obtained **after at least two years of successful attendance in the foreign system**.
- ✓ Therefore, provide secondary school transcripts for **at least grades 11 and 12**. If you have a transnational education, include transcripts for all grades.
- ✓ If your qualification was obtained with **less than 12 years of schooling**, you must provide proof of completing an integrative year or a foundation year from an officially accredited higher education or post-secondary institution.
- ✓ If your diploma or degree includes **security features that allow secure digital verification**, upload the original digital documents during pre-evaluation, pre-enrolment, and enrolment.
- ✓ Higher education qualifications must be issued from an **official accredited institution recognized from the authorities of the country where is established**. If we cannot verify accreditation, we will request additional documentation.
- ✓ **Don't' forget to comply with the language requirement for your chosen program: Italian B2 level for courses taught in Italian language; English B2 level for courses taught in English language (see call of application for restricted access courses).**
